REMEMBRANCE DAY

Remembrance Day is a solemn occasion to honour the bravery and sacrifices of those who have served and continue to serve. It is a time for reflection and gratitude, recognizing the immense contributions of veterans and active service members. Their dedication ensures the freedoms we cherish today.

The 11th hour of the 11th day of the 11th month for each year are dedicated to a minute of silence for those who died in war. Let us take a moment to remember and never forget their selfless service.
